Guidance Note on Dematerialisation of Shares Held in Physical Form

Pursuant to the Notification No. SEBI/LAD-NRO/GN/2018/24 dated 8th June, 2018 of the Securities and Exchange Board of India (SEBI) for amendment of the provisions of Regulation 40 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository.

The said amendment will come into effect from 5th December, 2018 and as such it is advisable for the investors to convert their physical shares into demat form as early as possible. Investors will not be able to transfer their shares in physical form w.e.f. 5th December, 2018.

The process of dematerialization is provided below for the ease of understanding:

1. Please contact any Depository Participant (D.P.) who is offering demat services which may be a bank or any other entity having connectivity with National Securities Depository Limited (NSDL), Mumbai or Central Depository Services (India) Ltd. (CDSL), Mumbai and enquire with them about the terms and conditions for opening a demat account and the documents to be furnished to them. Also make sure that they can dematerialize the securities held by you.
2. In case the securities are held by you in joint names, you may either open a demat account in the joint names or get the shares transferred to your single name by submitting an executed Share Transfer Form SH-4 along with share certificate(s) and self-attested photocopies of PAN Card of transferor(s) and transferee to the Company or to its Registrar & Transfer Agent (RTA) for giving effect to the transfer in your single name.
3. After opening the demat account, the D.P will provide you a Client Master Form showing demat account number and all other details such as name, address, phone no., email id etc.
4. Now obtain a Demat Request Form (DRF) from your D.P., fill up the same and submit it to your D.P. along with all the share certificates which you wish to dematerialize. In case your signature(s) has/have changed, you are requested to fill up the Signature Verification Form, get your signature(s) attested by your banker with the name, designation and employee code of the attesting official under the rubber stamp of the bank and submit the same along with your DRF. Similarly, if your address has changed (first/sole holder), you are requested to fill up the Form of Request for Change of Address and submit the same along with enclosures with your DRF. After opening of Demat Account with DP and obtaining Demat number, shareholder should deposit the share certificate(s) along with the Dematerialization Request Form (DRF) to their DP with whom investor maintain their Demat Account. It is advisable to keep photo copy of documents submitted with DP along with copy of share certificates for your reference and record.
5. Your D.P. will sign, affix their rubber stamp and return one copy to you for your record. They will carry out their internal processing and dispatch one copy of the DRF with a Demat Request Number (DRN) along with the share certificates to the Company's RTA. The RTA will verify the documents and if they are found to be in order, RTA will confirm the demat request to NSDL/CDSL within 15 days from the date of receipt of the documents and the shares will be credited to the demat account of the shareholder(s).
